“ *When I was about 10 years old my Uncle Howard and wonderful Aunt Nan would take me and Cousins Pat and Pam on summer day trips to Point Pelee State Park in Canada. Uncle brought his golf clubs and was hitting sand shots on the beach. He taught me to play golf. At age 79, sand traps have never been a problem for me. He also taught me how to cook steak medium-rare, He was a very kind and patient man. A hero and mentor to me. Rest In Peace Uncle Howard. ❤️*

“ *What a wonderful, Godly man. I always loved his smiles and hugs. So thankful he is home with the Lord and Nan. Praying his family will feel Gods comfort and peace.*

“ I don't even know where to begin. Having been members at Trinity since 1981, I've known Howard (and Nan) for a long time. Howard was always ready to greet me with a warm smile and a hug. He was such an inspiration to me - how to be a loving spouse, a follower of Jesus, an effective Deacon, as well as how to improve my bowling and golf game! He recently told me he was ready to go "home," and there he is - with his beloved wife and Savior. I rejoice in this! Until we meet again, Howard.....

I feel so blessed to have known Howard! He was a joy to be around. He always looked forward to his hugs from me and most likely all the ushers at Trinity. I saw him about a week and a half ago and will always treasure that visit. What a kind man, and as Edie said, he loved his golf. I also know he was tired. My heart is sad, but I know he is with Jesus breathing in the fullness of Heaven with his wife. And as I said when I left the last time, "See you later." I know I will. My deepest sympathies to all your family.

Howard was my prayer pal. We prayed and encouraged each other. I'll miss him and I'm rejoicing.

“ Howard and Nan were my Deacons many years ago. We became fast friends and always enjoyed their company. Howard was so lost without Nan and he would tell me loving stories of how they met and their courtship, it was a true love story.

When Nan was in the nursing home, he was so very faithful in visiting her. He told me he knew what they were there since he could witness to the staff by doing daily Bible readings with Nan. I loved them so much and rejoice they are with the Lord.

“ I knew Howard from Trinity. He always had a smile and a handshake ready. He was a wonderful man and we rejoice that he is with Nan and, more importantly, with God.
