“ *First met Howard over 20 years ago. There was a group of neighbors that would walk their dogs to the school yard everyday between 5 and 6 p.m. Howard was one of those neighbors. He had his daughter, Linda's, dog Candy and we had Riley. Kemmie & John had Buster and sometimes there was a couple more. Hard to join the group though as the dogs were very territorial. It was a good few years...did this walk just about everyday. Howard told many war stories as we walked and how he met Angel. All about Linda working for Disney in CA. Many good times. I miss those days and will miss Howard. Our deepest sympathy.*
