“ *Sincere condolences to Carol and family. Hard to believe he is gone. Though we did not keep in touch since high school, those memories will last forever, love of sports, fun parties much laughter. Glad that I got to visit with him at summer class reunion-he seemed as always a happy person content with life.*

My sincere sympathy to Carol and family. I am so sorry that we did not keep in touch over the years I have thought of you often. I have pictures of us when we were kids to always cherish. Jack was a wonderful cousin and friend, we had a lot of fun times together which I will always remember.

“ Please accept our sincere condolences for your loss. We have many memories of time with Howard during our years at Ford/Rouge Steel. Howard was great to work with and he had a knack for bringing out the best in his people. Some of us still chuckle at his drawing "organization charts" on napkins at lunches, and he always asked for everyone's opinions for improving ourselves and the processes. He will be missed by all and we regret not staying in closer contact over the years.

Sincerely,
