“ *I didn't know Idellas as long as I would have liked, just our talks while waiting for my lottery tickets. What I know was she had a gentle nature and cared for her Husband Darrel very much. Not by what She said but how she looked at Darrel, after being married for over 60 years she didn't need words to express her feelings.*

*With Idellas passing we lost a gentle woman, that I for one will miss our talks no matter how brief.*
