“ *My dear friend! Oh how I will miss you. Dolly and I met in Lamaze class 53 years ago,. Over the years we have laughed, cried, supported each other and cherished our friendship. Her silly laugh and amazing sense of humor were who she was. Precious memories will always be in my heart. ("Your friend!") was the way we signed our cards for each other.....Nancy*

“ *I am so glad I got to spend some quality time with my Aunt Dolly in 2017. She was so special to me. I will miss her. My heart aches that we could not repeat that visit again. Soon we will see each other again, until then Aunt Dolly I will cherish your memory!*

“ *One of my most treasured moments with Dolly (we had so many together) was one day we decided to go to a wedding dress boutique in Downtown Plymouth for me to try on wedding dresses. Let it be known that I was not engaged, or soon to be engaged, and did not even have a boyfriend at the time. We just thought it would be hysterical to pretend that I was getting married. We told the employees that worked at the boutique that Dolly was my mom and I was getting married. We got the full experience, I tried on numerous amounts of dresses while Dolly took many pictures of me. It was a moment to remember. We absolutely had the time of our lives fooling the boutique employees and trying on beautiful wedding gowns. Dolly was such a fun spirit. I miss her dearly. <3*
