

Irene I. Bakowski

August 25, 1951 - May 13, 2024

Irene Ingrid Bakowski, aged 72, passed away due to ovarian cancer. Irene was the beloved wife of the late Robert Bakowski and cherished partner of Fred Domanski.

Born to the late John and Mary Hnatyszyn, Irene was a nurturing mother to Adam (Lisa) Bakowski and Lauren (Jason) Steinhelper. She took immense pride in her role as a grandmother to Skylar, Savannah, Chloe, and Emma. Irene had a passion for photography, capturing countless memories through her lens. Her adventurous spirit was evident in her love for travel, with a special fondness for Florida, where she enjoyed her vacation home in Cape Coral. Irene also delighted in dining out, exploring new cuisines and sharing meals with loved ones.

A service to celebrate Irene's life will be held at Vermeulen-Sajewski Funeral Home, 46401 Ann Arbor Road West, Plymouth, on Friday, May 17, at 11 AM. Friends and family are invited to a visitation on Thursday, May 16, from 6 to 8 PM.

Irene will be laid to rest at South Lyon Cemetery. In lieu of flowers, the family requests that memorial donations be made to St. Jude Children's Hospital. Memories and messages can be shared on this webpage using the 'share a memory' tab.

“ *My deepest sympathy to all of you. Irene was my childhood friend and we went to the Roller Rink every weekend as children. We drifted apart when she married and moved away but we reconnected when she came back to WNY on frequent family visits. She will always have a place in my heart. She will be dearly missed.*
