“ *Our sincere sympathy to the entire Ciszewski family. Mom (Helen Romanik) and I wanted to be there with you today, but due to the weather, can't be.
Your are in our prayers.*

“ *Our thoughts and prayers are with all of you at this difficult time. I have many, many fond memories of Mrs. Ciszewski. She was a wonderful mom, and always treated me as one of the "girls". Love to you all, may she rest in peace. She is now in the arms of God and his Angels and safe from harm forever. xxx000*
