“ Aunt Irene was the sweetest, most loving and caring woman. As my brother, Karl, mentioned, we spent many days at the Immels' house, playing until late at night, at Father Bill's and Father Joe's cottage, in the pool, etc. Those were great times and I can't remember ever an angry word coming from Aunt Irene. She was amazing and always cooked enough for twice as many people. We always looked forward to her Golabki. And her laugh, of course her laugh, it would forever light up a room. Love Aunt Irene so much! Will miss her always! 💜💜💜

“ *Irene was first a neighbor, then a friend, and eventually an extension of family to me and my family. We will deeply miss our time spent with her listening to her nostalgic stories about her fascinating life. A life she was always so grateful for. We will also miss our chats and time spent out on her porch- one of her favorite places to enjoy the warmer days looking out admiring her flowers and wildlife that would grace her presence.*

Thanks for everything Irene, you are so missed.

“ My memory of Aunt Irene and the Immel’s. We had so much fun and many great memories at our family get togethers, mostly in Westland. We would drive down from Lansing on occasional Sundays. The things I remember the most were the amazing food, the smell of home cooked golumpki (no idea how to spell that) the Faygo pops, watching football with the boys in the basement, the swimming pool and the fountains and beautiful garden. And Very most of all was Aunt Irene’s kindness, joy and amazing laugh! We will miss you and never forget you Aunt Irene.

“ Aunt Irene,
What an amazing Lady! I had the honor of knowing her for quit sometime. She had the strength to deal with all the challenges put up against her, and she didn't half step. I will always remember that super smile and the easy it was to talk with her. One of the things that stand out in our times together is the joy she had when she was with her sisters. When those girls got together they would light up the space, and be laughing so hard the house would start shaking. Aunt Irene and my Mom were born in the same year, and they just hit it off right away. My Ma would start telling her stories in Polish, and Irene would get a great big smile on her face. It must have reminded her of her childhood days.

Thank you for allowing me to be part of your life, and letting me be a member of your family. You will be missed, but never forgotten. My heart has a spot just for you Cocia.

Rest In Peace
