“ *My Aunt Irene was a very thoughtful and sharing person. I have many fond memories of her and the times that my brother and sisters and cousins would be together. As I was growing up Aunt Irene would always offer me encouragement and to have confidence in myself.
May she rest in peace with the departed loved ones that were a part of her life.*

“ *My thoughts and prayers are with you. Your mom, grandmother, great grandmother was a wonderful person. I was so happy to be her friend. I will miss her. Blessings to the Kowalkowski Family.

“ *Mother-in-law Irene Kowalkowski first will be remembered as a woman who fiercely protected family. She lovingly preserved memories of her ancestral family, her parents and siblings, her children, grandchildren and great grandchildren by filling her home with records, pictures and handwritten notes. She'll also be remembered for her many years of dedicated service at Ford Motor where she gained the friendship of countless colleagues. Finally, she will serve as a model for facing adversity with brave determination. Her decades-long battle with RA at times, knocked her down, but never out. Godspeed, Irene! May you rest in quiet and perfect peace.*

I went to grade school with Wally and spent time at the house on numerous occasions. Mrs. Kowalkowski was always kind and gracious to us kids. We ran into each other at the funeral of Marilyn's mother some years ago and she sought me out to say hello. Rest in peace.
