“ *Grandma Irene, I didn't know you that well but I enjoyed being with you when we spent time together. I just wish I could have spent more time with you. Sincerely, Your Great-grandson, Graham*

“ *Grandma, Your legacy is the family you created and nurtured through your long and giving life. I hold you in a special place in my heart and always smile when I think of you calling me "Lissa," making me pancakes when I spent the night, teaching me to crochet, holding court by your Christmas tree opening your presents, and sitting in your white summer clothes and Keds surrounded by family during summer gatherings. I am so thankful to have had you for my Grandma. Love always, Melissa*
