“ I grew up with Irene didn't know her by "Renee" We became friends when we were 9 years old. Went to school together and had a blast. She was my best friend growing up...have so many good times and memories. We lost track of each other over the years. I was hoping to see her again. I can't believe she is gone and so young. We will see each other again. See her on the flip side

“ I am a Minister of Jehovah's Witnesses my wife and I would like to give you and your family our deepest sympathy for the lost of your loved one. We would like to leave you with these words of encouragement from Gods word the Bible. At Job 14:14 it ask the question, "If a man dies, shall he live again?," The bible makes the promise: Your dead love ones will live...They will rise up. The bible also says, The righteous themselves will possess the earth and they will reside forever upon it. Isaiah 26:19;Psalms 37:29. May you find comfort in these scriptures and in the loving memories of your loved one. If you have any questions or concerns about the lost of your loved one feel free to email us at [ctksdk@yahoo.com](mailto:ctksdk@yahoo.com) Sincerely, Carlos & Sandy

“ Renee was the first person that I met when I started working at GC. She had me laughing from the get go , we would sing " I say a little prayer for you " ..loved her. Her laugh , her compasslon for everyone was amazing. To her husband , friends , and co workers , may god help get you through this horrible time, and always know that that beautiful Angel is always with you.

“ Renee was one of my greastest friends since 1980. She was a great caregiver and coworker. We work together along with our gch familyfor 34 years. She had a special gift of making patient's, thier families and her co workers feel better with her compasion and comforting words. She was always concerned with what was happening in others lives than her own. We spent many of days shopping, drinking coffee, singing and dancing at bobby T's, our favorite song was Rock Steady from the Wispers. I wish we had one more dance together. I WILL MISS YOU EVERY DAY UNTIL WE MEET AGIAN, REST IN PEACE MY FRIEND.
