“ *Hi Mr. K., Greg, Joe, Kathy, Lisa, and all of Mrs. K's family, I am so sorry to hear that Mrs. K. passed away, but I had the blessing of having talked to her earlier this year. I almost called a short while ago and didn't, now I am so sad that I didn't pay attention to my thoughts. As you know I have always been extremely impressed with her. Her love for all of you was so apparent in all she did. I think of her EVERY time that I see an iris and remember all of her flowers in the backyard. She was always faithful in sending me a Christmas card and a detailed update of the family. I would call to talk to her every year after I received her card, and when I didn't get one last year I knew that things must have been difficult for her. I prayed for her often and I am so sorry that she will no longer be on this earth sharing her life with all of you, and the brief moments with me. But, as we all know we will be with her once again some day when it is our turn to move on to Heaven. I am thankful that I had the opportunity to get to know her and spend some of my life with her and all of you. May you have peace in your hearts, and look forward to seeing her again one day. Love in Christ Jesus, Jennifer*
