“ *Irma was the second person I met on the internet. Sadly I never had a chance to meet her in person. If there was one person I would trust it was Irma. She`ll be missed dearly. It has been a priviledge to have known Irma these last 9 years or so. The Lord chose another mission for Irma and I am sure she is in high standing there. Alan*

“ No need to add, it's all been said, By your friends, and quite eloquently. 'T Was for all to see, Irma was harmony. We thank you Dieter for sharing your beloved spouse your better half, she added much joy and happiness and made us laugh. She build us up when we felt down, she made a smile out of a frown, That boat from Europe brought us a treasure, A friend to the end so true. Irma you did us all good, You brightened up our Cyberneighbourhood, She touched friends with soul and heart, With sadness we do part, We shared some memories about our immigration journey , and talked about the final journey too,,,, Your children would say Mama,mutti,danke for coming to the Promised land, AMERIKA. You and Papa made us proud. Now the final Journey has been made. You are at peace with GOD ,auf wiedersehen

“ To Dieter and family...I've had the wonderful chance to know many wonderful people in my life...from the time I was a small child to the point where I'm now a grandfather I've been blessed to have some of the most amazing people come in and out of my life. Irma was one of those folks. I've never met a person more unselfish and loving, I never met a soul who loved her family more. I never met anyone who made me laugh more. I've never met a person who I was more sure was with God today than her. I spoke with Irma many times as Heidi went through her trials and she was so steadfast even though she was hurting. It was an honor to know her....she sent my Grandson a box full of things when he was born. No one was more unselfish. May God bless your family in the same way God has blessed us for placing Irma in our lives. It was an honor and privilege to know Irma. She represented everything wonderful in the human spirit.No one in my life has ever done that any better.

“ Our dearest Irma will be greatly missed and never forgotten. Its amazing how someone you have never met can affect your life. We can all learn a lesson from knowing Irma, and I know I have learned a lot. She was so completely loving to everyone, always seeing their best points, forgiving their worst. Her faith was beautiful to watch. Those of us in Les' chatroom have all laughed and cried with Irma. We always bring up all the "Irmaisms" that she gave us. Sweet memories! Dieter and children, please know that she will always be in our hearts.

“ You can shed tears that she is gone or you can smile because she has lived You can close your eyes and pray that she'll come back or you can open your eyes and see all she left Your heart can be empty because you can't see her or you can be full of the love you shared You can turn your back on tomorrow and live yesterday or you can be happy for tomorrow because of yesterday You can remember her and only that she's gone or you can cherish her memory and let it live on You can cry and close your mind, be angry and turn your back or you can do what she'd want : Smile : open your eyes, love and go on Irm Thank You for having been a part of my life

“ We both have known Irmgard for years. She is the most loving person we have ever met in our lives. Without her help and understanding we would both be sleeping under a bridge, but she seen to it that we got on out feet. we will miss her dearly and forever or as long as we live. God is good and she knows him and is with him now, She didn't work her way to Heaven, as the Lord lives in her heart. She followed the lord as he wanted her to. This world needs more "Irma's. I love you Irma. Don

“ *What a awesome woman and human being is Irma. She never said a bad thing about anyone and loved her family and her LORD so immensely. If only all could live our lives like Irma lived hers!! She was a blessing to all who talked and laughed with her in the chat rooms like no one else. I have laughed with her in the chat rooms sometimes til my stomach would hurt. She was so unselfish and thought of others without any reservations. My heart goes out to you Dieter, Sandra, Heidi and Ralph during this most trying time. May GOD bless you all in the most abundant ways. Irma will be remembered by us all forever....She sent me a start of dill for my garden and I hope to keep it going from year to year in her memory. I can't say enough good things about Irma....She was definitely an angel.....*

“ *Irma set the bar high for all of us. She never said a mean word to anyone, always had a smile, and loved God and her family beyond what the rest of us could aspire to. It's difficult to say goodbye, but Irma, I will see you again. Dieter and family, know she will be missed. She touched us all.*

“ *--- To the family and friends of our beloved Irma. There are few people i have known that touched me as deeply as Irma has. Her kind guidance was an inspiration to everyone. She never preached, she led by example. Her laughter lit up our entire group. She made a point of visiting all that she could. She shared of all that she had. She sent my Granddaughter many dolls and toys. I will never think of her without both laughter and tears. She will be sorely missed. Goodbye for now Irma, and Godspeed. You will be revered and remembered. Set a place for all of us at God's table. We will feast again*

“ *Meine Irma.....Such a sweet loving lady. She loved her family so much, was so proud of all her children, she talked about all of you all the time. She loved the LORD and reminded us all that HE was the center of the universe and all goods things came from him. Irma was always there for me through any problem I brought to her. She would email me with encouragement or advice that came straight from her heart. She lived her life the way God intended all of us to live ours. What a beautiful example to us all. I will miss her very much, but will always remember her. May peace be with her family always. Paul Denise & Family*

“*Lieber Dieter, Liebe Familie, vielleicht errinnerst du dich noch an mich ? Ich bin die älteste Nichte von deiner Schwester Barbara! Barbara hat mir erzählt, was für ein Schicksalschlag Euch getroffen hat. Es ist nicht leicht einen geliebten Menschen zu verlieren. Ich wünsche Dir und Deiner Familie von Herzen alle Kraft dieser Welt um die Trauer zu bewältigen und zu besiegen. Dies wird allerdings seine Zeit brauchen. Dies weiß ich aus eigener Erfahrung, denn meine Mutter ist 1995, im Alter von 56 J., gestorben. Eines möchte ich Euch aber noch mit auf den Weg geben, es ist nur ein kleiner Trost und vielleicht hilft es ein wenig!?! Wenn durch einen Menschen ein wenig mehr Liebe und Güte ein wenig mehr Licht und Wahrheit in der Welt war, dann hat sein Leben einen Sinn gehabt! (Alfred Delp) Barbara hat mir erzählt, dass du evt. im Frühjahr nach Deutschland kommen wirst, wenn das der Fall ist, werden wir uns bestimmt einmal sehen. Bis dahin alles Liebe und Gute Sylvia und Familie*

“ I had the pleasure of meeting Irma 3 times on our chat room trips and as I sit here looking at the pictures, I'm having a very hard time dealing with my emotions and the thought of her leaving us - She made me a better person from her loving heart and energy she so often put forth and the word hate was never in her vocabulary - As I snuggle with the Afghan blanket she made me I think of all the good times like cruising with the top down and shades on and dancing in chat - I will miss her more than words can describe and in my heart she will stay and will always be my little internet God mother..... I will see you again some day dear and until then save me a spot on your dance card..... To Dieter and family..... big hugs and kisses and as the song says....."She's a Lady" God Bless Her

“ Mom, unconditional, unfailing love. I know God loves me dearly, He blessed me with you. ...We picture death as coming to destroy; let us rather picture Christ as coming to save. We think of death as an ending; let us rather think of life as a beginning, and that more abundantly. We think of losing; let us think of gaining. We think of parting; let us think of meeting. We think of going away; let us think of arriving. And as the voice of death whispers, 'You must go from earth,' let us hear the voice of Christ saying, 'You are but coming to me.'”
