“ *Mr. Wheeler was always so sweet to us neighborhood kids growing up. He was always kind and put up with all our running around and craziness. He made great memories for us kids growing up. Thank you Mr. Wheeler ❤️ Sue & Aaron Ruby*

Warm memories of the Wheeler family come to mind when I remember my own children growing up. Jack and Marilyn were wonderful parents with an open door policy at their home. Always enjoyed their friendship and being in their company. Many prayers and warm thoughts to the Wheeler kids. Louise and Bob Thomas (parents of Sue Ruby)

I grew up on Harrison Street, 3 houses from the Wheelers. Lots of great memories of playing with Gordie and Jill. Jack and Marilyn were always so nice to all us kids, and there were a lot of kids on our street. Praying for the family. Rick Gafford

“ I am still at a loss as to what to say. Larry and I have always loved Jack (and Marilyn) and we have always considered ourselves to be very fortunate to have them in our lives. Jack was always funny, always kind and always the first to step up when one needed help. When Larry started having difficulty doing things because of his Parkinson's, Jack just took over. He started mowing and mulching and watering our lawn; he trimmed the bushes, he put salt out in the winter and always used the snowblower or whatever was necessary to keep our drive free of snow and ice. He and our other neighbor Jerry took over the job of raking leaves and cleaning up our yard; he did whatever he could, at all times, to make life easier and the world a better place. He had so much love for his family and friends and a good word to share with all. He was and always will be a shining light in the lives of all lucky enough to know him. Butternut Avenue is suddenly becoming lonely and sad and Larry and I will always be grateful for Jack and the many ways he changed our lives and made life a little easier,,, all the time. We love you Jack and we miss you horribly, we miss your smile and your wonderful laugh. We miss your kindness and your humor and we miss you and always will. So sad to lose you our good friend!
