“ *I am a Minister of Jehovah's Witnesses my wife and I would like to give you and your family our deepest sympathy for the lost of your loved one. We would like to leave you with these words of encouragement from Gods word the Bible. At Job 14:14 it ask the question, "If a man dies, shall he live again?," The bible makes the promise: Your dead love ones will live...They will rise up. The bible also says, The righteous themselves will possess the earth and they will reside forever upon it. Isaiah 26:19;Psalms 37:29. May you find comfort in these scriptures and in the loving memories of your loved one. If you have any questions or concerns about the lost of your loved one feel free to email us at [ctksdk@yahoo.com](mailto:ctksdk@yahoo.com)*  
*Sincerely, Carlos & Sandy*

“ Remember the time I came to visit from England? Our kids were about two or there. We went to McDonald's together and got them fries! We went to Deedee's house and all the kids played in the dirt including Jacob. Try to remember those simple things to get you thorough this challenging time. My thoughts are with you.

“ *Driving home at 4 in the morning in this rain has had my mind racing about life. It's crazy to realize how many people end up reliving their memories and how you impact their lives, no matter big or small or if you knew it or not when they realize there'll be no more memories made. We may have not been the closest friends but the few years our whole neighborhood crew was together was some of the best times of my life.*

*As we get older it seems we all alienate ourselves from the people that in a way made us who we are. Then we have all of the regrets that come from something like this. We all say we wish we could go back and change this because subconsciously we know the outcome, and the people who you wanted to reach out to you always do in the end. You just never know how to get them to reach out sooner.*

*Thanks for the memories.*

“ Jakie poo as I called him was close to my daughters and to me too, he spent many many many times at our home and joined us in many trips throughout the years, he was always such a sweetie pie and we all loved him very much, Katie and jake even went to one of their homecomings in high school together. We will miss him so much and our hearts ache as I am sure many feel the same. Our thoughts and prayers are with him and his family during this very difficult time. God bless and all our love Jake you will be forever in our hearts. Peggy McNally

“ My deepest condolences to the family. I am so saddened to see this. Jake was close with my son and with our family. I saw him and the rest of our neighborhood kids outside everyday. He spent the night hundreds of times and went camping with us. He was a great kid. My heart goes out to Tammy and Kyle and of course the rest of his family and friends.

Love,
