I am so sorry to hear about Jackie, her and I were best friends for over 30 years. We lost touch over the last few years but she always had nice things to say about me, always praising me. I watched her raise her children and helped her when she needed it. I too worked with her for many years, she was always a moral support for me. I will miss her in my heart and soul for the rest of my life. She had a smile that would light up a room. She would always shine from within. I hope her kids and grandkids enjoyed her spirit and much as any one that knew her...I love you Jackie and I'll never ever ever forget you.. I never have. Love Renee
