“ *I was happy to have James here with us those years although having two brothers in the same home was a challenge. I was prepared since I grew up with two of my own. I was glad to have spoken with him a while back to let him know I missed him and so did the doxies that shared his recliner. He never minded though. I wish I could be with the family at this time but just know you are in my thoughts and prayers. Phyllis Bailey*
