“ We both had sailboats on the same dock at the Detroit Yacht Club. We were getting ready to go out for a race that night, and we were both tied in the standings for the last rest of the season. I get to my boat and find its padlock to the dock. My crew thought I didn't pay my bill. But no – – Jim had padlocked it so I couldn't go out and beat him. It was a great joke! We did start the race and he did follow me around the course because he figured I knew what I was doing and I did win the race. He came in second. *Mary Schroeder.*

“ Worked closely with Jim, Rod and many of the Birclar family that have offered their condolences here. I'll always fondly remember Jim's laugh and smile. He set a great example for a business owner and boss, fair, ethical and an excellent listener. Loved by employees and so many customers that relied upon us on a daily basis... he will be missed, but never forgotten. *God bless, Bob Schuck*

“ Boy oh boy the last thing I expected to hear was that news. The worst thing about it is you gave me that number and I never got around to call him. I've learned that lesson too many times in life I wish I wouldn't have missed that one. God bless his soul whatever pain he might have been in is gone and he's with the Lord that's the only constellation we have. God bless his soul he was a good man with a good heart ❤️ the world will miss his presence. Just can't believe it!

“ I worked for Rod & Jim at Birclar for 14 years and still work there. He was a great Boss to work for and definitely will be missed by many (including me). I enjoyed sending him birthday and Christmas cards with pictures in them. I looked forward to getting a Christmas card from him also. He truly loved his wife and his whole family. The last picture I have of him was with myself, Linda, Kevin and Rod the end of July 1998 a month before he retired. Praying for his family at this most difficult time. Helen LaFreniere

“ I worked for Jim for a number of years and always found him to be a kind caring gentlemen. We shared the same birthdate and I once made him a birthday cake decorated like his sail boat “Culmination”. I remember he didn’t want to cut it at work. My prayers for his family. Please know he will be fondly remembered.
