“ Memories....Oh where do I start!!! There really are SO many! I will always remember Jimmy at Evans Family Dining. Just Jimmy and I were working one day. I was cutting lemons and cut my finger. Being a sissy I wrapped it and continued taking orders until one customer wanted to see if I needed stitches. I was fine till I looked. I made it to the office just in time to pass out. Ha ha ha! So Jimmy was stuck taking orders, cooking them and cashing customers out by himself. (I am laughing my heart out right now remembering that!) The entire time he used many choice words...not quietly....and must have smoked an additional pack of cigarettes from the stress of it all until someone else came in to help!

Let's also remember the movie Dino Kovas made *In The Bag* that Jimmy starred in that I will forever have on VHS!

Not to mention I practically lived there when we Kathy, Flo and I would go out!

Jimmy and Anna were a huge part of lives growing up and their memory will live on forever. Jimmy always was sitting smoking with a huge smile when he saw you. His laugh was awesome. Loved to laugh and my Dad would mess with him ALL the time. Growing up would not have been the same without our families together.

Lots of love to his family and comfort during this hard time. But happy they have each other up there. I am sure my Dad is just waiting for him to play one of his jokes on him so they can laugh together!
