

James Arnot Littlefield

November 8, 1975 - June 27, 2025

It is with deep sadness we announce that James Arnot Littlefield went to be with Jesus in his home on June 27, 2025. James passed away after a courageous 16-month battle with colon cancer. He was 49 years old.

James was born in Kansas City, Missouri on November 8, 1975 to David and Joanne Littlefield. James graduated valedictorian from Southwest High School in Kansas City, MO. He then went on and graduated from Washington University in St. Louis with a degree in Chemical Engineering. He then graduated with honors with an MBA from University of Phoenix. James was dedicated to his work in life cycle assessment, sustainability, and energy research. At the time of his death, he was employed by Aramco Americas.

James enjoyed cooking, music, watching sports, spending time with family, and playing American soccer with work colleagues. James was curious and loved to learn. He was an avid reader and he loved documentaries and history. James loved to research at work but also at home in his spare time. James loved to spend time thinking about God and science. Church and family were important to James. He loved to serve and give thanks to God even during times when things were difficult. Most people that knew James say he was responsible, humble, and intelligent, someone they could count on for a song lyric or a dad joke as well as solid advice.

James was a loving husband and best friend to Melody for 21 years. He was a patient and gentle father to Harrison Bryers and Olive Elizabeth. Loving son of David and Joanne Littlefield. Loyal brother and friend of Dr. Philip (Tracy) Littlefield. Beloved by his wife's siblings and their spouses Rusty (Hollie) Metsker and Jesse (Amy) Sieve. Uncle for Nathan, Adam, Georgia, Beau and Magnolia.

Gathering Thursday, July 3rd from 1 PM – 2 PM until the Memorial Service at 2 PM at Ward Church, 40000 Six Mile Road, (at Haggerty) Northville.

Memorial Contributions can be made to Peters Creek Baptist Church 6300 Library Road, South Park, PA 15129 and/or Ward Church Special Needs, 40000 Six Mile Road, Northville, MI 48167.

“ I'm grateful to have had the chance to know James. We shared many laughs, especially during the Aramco soccer games, where his joy and smile always lit up the field regardless of the score. He had this amazing ability to find joy and humor in every moment. Our office conversations over Turkish coffee, bagels, and life in the middle east will be cherished.

Upon joining Aramco Detroit Research Center, it was clear from the start that James was a truly kind and genuine person, someone who made everyone feel seen and valued. To the Littlefield family, please accept my deepest condolences. James's light will continue to shine in the hearts of all who knew him.

“ James prepared the best brisket I have ever ate. He had problems with the smoker, but as good engineer as he was, he figured it out and brought the best Brisket for the office BBQ. It was more than a pleasure sharing working space with you. I am going a remember as that great defender that I used to face in the soccer field. Rest in peace James and best strength for your family!

“ I had the honor of working under James' leadership over the past few years. He was nothing short of an inspirational and empowering leader. His absence is so deeply felt here in the office. I am sending so much love to his beautiful family, who he loved so dearly and who are feeling this loss the most. I pray for your strength and hope that you will not hesitate reach out to any of us for support.
