Jim was raised by Martin and Elizabeth Milleville on their family farm in Niagara Falls, NY. He was the oldest son with 3 younger sisters, Susan, Marilyn and Carol. Martin and Elizabeth were wonderful Christian parents who

raised Jim and his sisters to love the Lord, serve others, have a strong work ethic and integrity in all they did. His young years at St. Peters Lutheran church started Jims love for The Word, missions and Bible study that continued all his life.

Jim and Anne met at Capital University in Ohio, and married in 1961. Jim served in the Army reserves and then went to work at his father in laws business in Detroit, MI. That was where Jims food service industry career began, and continued until very recent years. He loved serving his customers and the many relationships he built over his career. Always with a smile.

Jim set a wonderful, faithful and consistent example as a man of God to his wife, children, grandchildren, friends and church. He pursued his faith and lived it out so that in all he did, Christ would be glorified. Even as he battled cancer the last 3 years, Jim never complained, and instead sought out ways to serve others, support his church, be present with his family and deepen his faith in his Savior Jesus, whom he now dwells with in heaven. To God be all the Glory.

*Dear Anne and family. Praying for you and your family at this difficult time. Jim was truly an inspiration to both of us while attending our class at Ward. You both are one of the most Godliest, sincere, caring people. We have many fond memories of you sharing your home for our meetings and both of you always were so uplifting. May the love of God, family and friends be a comfort to you and yours. Out love and blessings, Rich and Darlene Sheill*

“ We first meet Ann and Jim @ Risen Christ Lutheran Church in Plymouth Michigan. We enjoyed our fellowship with them in Marriage Encounter community as well. Jim and Ann were a team and shared their love of Christ and family with everyone they met. Doug and I were blessed by their mentoring us through bible studies and sharing so much love and support to our family. We treasure so many memories of Jim and his big smile and hugs. Well done good and faithful servant. We can only imagine you walking with Jesus with our new perfect body and praising the Lord all your days. God bless your legacy you left behind in our beautiful Ann and family Deb and Doug Johnson, Bonita Springs, Florida

“ Our friendship was fueled by our love of our Lord and His Word. The Lord led Ann, Micki, Jim and me to become leaders in various Bible Study Fellowship classes. As leaders we got better acquainted and grew as friends. At a BSF leadership conference I remember Jim leading a breakout group where I was introduced to one of Jim's familiar focuses, "Let's do business with the Lord". Jim's commitment, caring, sincere love and humor blessed all of us. Micki and I were overjoyed when Jim and Ann had the occasion to attend our Young Adult BSF class leaders meeting where they met Steve Orsini who was the first men's group leader in our start up class. In due course the Lord brought Megan into that same leadership group and soon Steve and Megan left as husband and wife. Jim became not just a father in law but a fantastic mentor for Steve. Jim passed the baton of Godly leadership to Steve and many other men who today continue their race, in the Faith, Power and Love of Jesus. What an example Jim's life has been. Thank you for showing the way!

“ *Jim was one of the godliest, most encouraging and others-centered people I've ever known. He walked through suffering with the joy of the Lord on his face, a joy that is now perfected in glory as he sees his Redeemer face to face, no doubt hearing the words, "Well done, good and faithful servant."*

“ *Be a Jim,  
Years ago, I met a man who became a friend. Jim and I would have conversations about faith, politics, and personal interests. One day I must have mentioned that I would like an anvil for metalworking in a conversation. About two years later Jim called me and asked if I was still looking for an anvil, I answered yes. Jim was listening and remembered our conversation and went out of his way to buy, pick up, and deliver this anvil to my home.  
James Milleville, you sir will be missed, people who "truly" listen to others in conversation is rare today, and someone who listens, remembers and goes out of their way to help others is even more rare. RIP my friend.*
