“ First off my condolences to the family. I will pray for you, I first had the pleasure of meeting James when I was dating his sons step daughter. I first really got to meet him when I started golfing with them on Fridays in the summer time. I was first intimidated by the stern look he had but as we started out he made me feel like I knew him for years. Every Friday after that I would look forward to the stories I got to hear from him, stories about Mickey Mantle and Billy Martin had me in awe. He was also a very funny man and had me laughing my butt off. I'm sad of learning of his passing and he is definitely in my thoughts and prayers
