“ *Losing you have been the worst pain I ever had to endure. In our lifetime, we shared things together that I will never have with anyone else. We were blessed with the greatest gift of all.....our children, Michael and Karen. Thank you for always being there to hold and comfort me at the most painful times in my life. I am glad the last few years we has given us time to heal. We had a bond together that was unique to only you and me. I will always hold you close to my heart and cherish all the wonderful memories we had together. Peace be with you. Love Always, Diane*
