“ Hey man. We were always there for each other. These last few years were tough on you and I know that losing dad the way we did was a kick in the gut to you. He was your biggest supporter. We were the fearless trio going to chemo and Drs appointments and living the ups and downs of this terrible illness called cancer. Thanks for waiting for me man. I am going to miss you deeply. Love you buddy. Bill

“ Uncle Jimmy... What can I say? I love you is a good start. I looked up to you in so many ways. Even when you pretended not to know my name and called me Penelope I still didn't care. You were always patient with me when we played euchre no matter how badly I messed up (haha). I admire your strength and courage, especially during these last few years. There is no doubting your bravery and faith. You have raised 3 amazing children who embody your values, and carry on your good looks, not to mention your sense of humor :) I know you found fast company in heaven waiting with open arms and are finally at peace. I miss you and I will never forget you.
