“ *I used to stop in the gas station a lot and Jimmy was always smiling and friendly and would always "look out" for me among the riff-raff that would hang out nearby. No matter how long it had been since I had last stopped in, he would always remember me. I have fond memories of a great guy who was so friendly to me and always made me feel safe in the store and welcome...everything everybody else rights about him being so friendly and joking around is true...I didn't know him that well but I feel like I did. You were blessed with such a wonderful person in your family and can be certain that he is in Heaven.*

“ Victor, Raida, Lawrence, Michael, and George: my thoughts and prayers are with you all. Jimmy was my friend and I will always smile when I think of him. He was a beautiful human being and the world is a darker place without his light. I count myself among the lucky for having had the opportunity to know him and will never forget the good times we had. If there is anything I can do for any of you please let me know. Respectfully, Robbie

Jimmy really lived life, and was always very outspoken and friendly. My deepest condolences to the Safadi's at this tragic time and devastating loss., he will be missed by everyone that knew him. “ Im truly sorry to hear about your lost. James will definitely be missed by so many. One thing that helps me deal or cope with losing a loved one is the scripture John 5:28,29. It states, " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life....." Soon we will be able to see James again because God (Jehovah) promises a resurrection hope. I hope this gives some comfort.
