“ *You, my beloved son, have been gone from our lives for over three years and it seems impossible that I (we) have been able to continue without you. You certainly held us and guided us throughout this time. I see old memories on social media that you posted to me and it is like you are once again here. Oh the awesome conversations we had, the deep in depth ones of God's wisdom and hope for us. We encouraged one another regularly. We held each other accountable to one another that I personally didn't share with others. You were special with your loving kindness and love toward me and I will cherish your hugs. Your hugs were so warm and tender, your humor was hilarious, your integrity to help others, no matter what the cost, was inspiring (although scary sometimes). You were a unique and loving man and we were so proud of you. We covered your mistakes against you, because everyone makes mistakes. You forgive our mistakes and always let us know how important we were to you. I'm grateful I will miss you everyday of my life until I can hold you in my arms once again. God grant you all that you hoped for. My love always*

“ I am a Minister of Jehovah's Witnesses my wife and I would like to give you and your family our deepest sympathy for the lost of your loved one. We would like to leave you with these words of encouragement from Gods word the Bible. At Job 14:14 it ask the question, "If a man dies, shall he live again?," The bible makes the promise: Your dead love ones will live...They will rise up. The bible also says, The righteous themselves will possess the earth and they will reside forever upon it. Isaiah 26:19;Psalms 37:29. May you find comfort in these scriptures and in the loving memories of your loved one. If you have any questions or concerns about the lost of your loved one feel free to email us at [ctksdk@yahoo.com](mailto:ctksdk@yahoo.com)  
Sincerely, Carlos & Sandy

“ *Heavenly Father, We know and believe that our times are in Your hands, but Lord it's so often such a shock to us when a dear loved one and friend meets with a sudden or unexpected death - through an accident or perhaps due to some unforeseen tragedy, which takes the life of a friend - long before it would be expected. Amen. God Speed my friend. Until we meet again.*

Support us when we were unable to understand the things that happen to us and those we love. Comfort and console us, grant that through Your merciful help we may have the courage to face the days ahead; through Jesus Christ, Your Son and our Lord. Amen*

“ Jamie I thank you for all the times you were there when I needed someone to talk to. You also preached to me about my faith and that I should never give up on it. I am trying to be strong and keep the faith but all that has happen in the last year it is hard. I know I can hear it now everything happens for a reason and don't lose faith. God Bless you my nephew my friend.

“ Jamie , you were our first of second generation . I was only 14 yrs old when your Mom brought you into our house. I knew what love was the minute I held you, at 14 yrs old. You opened those brown eyes and looked up at me and I said , he is the most beautiful baby I've ever seen . from then on all you had to do is look at me and I was putty in your hands. I remember when I got my first car , brand new car. You and Junior wanted to drive it, I must have been nuts . But I couldn't say no. You and Junior have that charm that worked on me every time. I have my heart in my throat because I just can't say "GoodBye" , to you. You will live in my heart and dreams til I see you again . I love you Jamie. Peace be with you now. Aunt Sandy
