“ Janet always had a smile when she came to the office. She gave the best hugs. We talked about the cruises she had been on. We called her the "cruise queen". She contributed to the training of new staff and always was very helpful. She will be missed. Cathy Turner. Co-worker at CLS

We are so sad to learn about Janey's passing. She was such a delight to be around and always so cheerful and loving. She was a great role model to all the peer mentors. Roxie always looked forward to spending time with Janey and will miss her "Janey-hugs". Janey always had great times on her cruises and enjoyed talking about them with others. Roxie and Janey always talked about doing the Disney cruise together.

Our lives were enriched by Janey and we were blessed to know her. She will be deeply missed by us.

Fly high Angel!

Ron, Patty and Roxanne Riggio*

“ Janey always had a positive attitude and mentored the younger athletes when she was on my soccer team. We would go to state games and bring her own coffee maker and loved her French Vanilla coffee first thing in the morning. She always was the first one to call me saying she wanted to help at the Fall Festivals Pancake Breakfast. I will miss her smiling face Coach Bethann Pilotto
