“ Gregg & I loved playing tennis with Janet & John as well as time spent playing cards and going out to eat. I just sent birthday wishes to Janet 2 days ago but did not receive a response which prompted me to do a search. Deepest sympathy to the family. She was a great friend and will be missed greatly. “ I met Janet when we were both 10 years old. We went swimming together everyday. I remember having coke and chip parties in her basement when we were in junior high but we had to be done and out before 11pm when her dad got out of work. I moved from Detroit when I was 15 but our friendship continued. Janet is and was my oldest and best friend. She will be dearly missed by me! Vivian Kempf
