“ Janet was such a lovely neighbor and friend! We moved next door in 2012, and Janet was such a kind, welcoming person. She befriended my young son who loved to show her bugs he found, forgave our young family’s loudness, and graciously helped me out in a medical emergency. She and I both love sewing and bonded over beautiful fabric. Janet loved to garden and I admire her tenacity in doing a little here and there to get big jobs done. She was a wonderful woman, a model of Christian kindness, and clearly a beloved mother and grandmother. I am so grateful to have known her, and I pray for consolation and peace for Francine and the whole family. Janet will be deeply missed, and I will never forget her smile and spark. May angels lead her into Paradise!

Thank you dear. My mom loved having you as neighbors. I appreciated all the times you checked on her....and the pool.

Janet was a caring and affectionate friend of ours, with whom I made many special memories, which I treasure; a few of them being visits to each other's homes, conversations about family, and faith, celebrating special days, going out for lunch, ice cream, Frankenmuth trips, Jo-Ann, walks in her neighborhood...

She was an amazing seamstress who gave of her time and talent to alter a dress for me, and later patiently guided me so I could alter one myself! Her chocolate covered peanut clusters were delicious! I loved her sense of humor; had many laughs together. Grateful to the Lord for our friendship. Condolences to, and prayers for, Francine and family and loved ones.

“*Janet was a beloved member of the Great Lakes Smocking Guild. Her talents were many and inspired us, especially her ribbon embroidery. She was always smiling and greeted each of us with joy. She will be missed. Blessings to her family. Jodi Garrett*
