“ *I am very sorry to learn that we have lost such a wonderful friend. I worked with Jan for many years at General Motors and we sat next to each other and shared many stories of our families. I remember what a loving Mom she was to Wendy, Deanna and Greg.....because she talked about you every day. She was very proud to be your Mom. This is a difficult time for all of you and I will pray that your good memories will help you as time goes forward.*

“ *My niece Janette was born when I was 13 years old. She was my live doll for many years. As I got older and started dating , she often went out with me and loved the gifts my friends would buy her. Last week she was telling me how much she enjoyed the cookie houses I made her years ago. She said they were too pretty to eat, but they tasted too good and she ate them anyway.. RIP beloved niece. She told me how close she was to her daughter Wendy. Wendy did so much for her , just as she use to do for her grandma Helen, Jan's mother. Thank you Wendy for taking such good care of my sister and niece. They are now in heaven together.*

Just when I thought I ran out of tears.. What lovely memories you've shared, thank you! I have heard wonderful stories from my Grandma and my Mom, they mean the world to me.. I especially appreciate the amazing sense of humor you 3 Grabitz girls passed down to my mother. I have lost my very best friend, but we most certainly have beautiful Angels watching over us. XOXO
