“ *Janine always made time for others whether it was to tell a story, listen and offer advice, or simply sit and read together. Finally she is at peace and back with Rick. While we will miss her, we know she was ready to go. Love you Janine!*

“ *Condolences to friends and family. Janine was a very thoughtful and giving person with lots of personality. When the Theisen family got together, both Rick & Janine added lots of enjoyment to these gatherings. I do miss the fun conversations Janine & I shared whenever we got together; we would make each other laugh so hard it brought happy tears to our eyes. She missed Rick so very much. Bless you Janine with an eternity of peace and happiness. .
.You will always be in my heart. Brenda*

“ *Janine was a wonderful friend and beautiful soul. I will miss her so very much. I am comforted by the fact that she is now with her beloved, Rick. Many times, after Rick died and when she was especially missing him, she would say "Wait until I see him again. He's going to get it for leaving me so soon". She is now with him.*

“ I have many (only!) lovely memories of Janine and the time we spent together over the past 20 years as friends. Our shared love of quilting was the thing that brought us together, but over the years we shared many hours, stories, and laughs together. I will miss her so much. My deepest condolences to her family and other cherished friends on this loss of your loved one.
