“ *Dear Diana and Rick,
You will remember me as Nancy Hawkins, mother of Jack, Carolyn, Barb, Jim and Joe. We were so saddened by the passing of your mother. I have many fond memories of your mom! When I think of her, I smile, because of the great times we had together. When we played baseball together, she was the pitcher and I the catcher. I think we laughed more then we played baseball. Your Mom was a great person who always brightened up the room when she walked in. Our thoughts and prayers are with you always. God Bless, Nancy Pattullo and family.*
