“ *I was housemates with Jay in Wayne for a few years. Always enjoyed sharing a place with him, very respectful, always willing to help and just an all around fun guy. My son still talks about the "Cat Castle" he built out of moving boxes inside of his place for a bit. :)*

Miss ya Jay.

“ *I am not sure if it was the 1st time I met Jay but it is the moment that stands out the most! Him walking up in a bright neon yellow Golden Girl t-shirt and him telling the reasoning behind it while we were boating on Hubbard Lake! I legit pissed my pants from laughing so hard!!!! Him telling that story is still the best story I have ever heard! His girlfriend Rebecca took it like a champ!!!*

Jay was a great guy who made me laugh non-stop when I was around him. I wish I had more moments with him. He is loved and missed forever.
