“ *Jean. I used to tease you and call you “ Jeannie with the Light Brown Hair,”which would get a smile from you. You were at Counseling Associates when I got there and there when I left. So, in my mind you’ll always be there. I will miss our meetups for dinner with our little group, but not forgotten in our hearts.*

“ *Jean worked at Counseling Associates for many years that i was there. She was always pleasant and helpful. I called her the file whisperer because she could find a file that no one else could. We shared recipes and she taught me about her Russian orthodox church. So glad I gave her a hug at the recent holiday party. She was always smiling and will be sorely missed by all. Rest in peace dear lady.*

“ *Jean was the sweetest woman I have ever known and will be missed horribly by so many. I have so many fond memories with Jean! Golfing up north, going for a boatride, sitting and chatting outside at her house in Plymouth while she enjoyed a smoke, laughing, sitting on the front porch in Prudenville enjoying great conversation and enjoying the beautiful lake view. I don't even know what to say except that I am beyond sad because you left this world way too early. I love and miss you so much already. Xo*
