“ *So many great memories of my mother in-law spending time with us here on the farm in Scottville. We would sit on the porch and she would tell me lots of her childhood stories growing up here. I will miss her sitting and watching the Detroit Tigers sipping on her little cup. She would always come bearing gifts to me and Brian. Always bringing tons of food that would last forever after she left. Enjoyed going to the state park with her and she loved going to the thrift shops. She would always bring me a pair of pajama bottoms most of her trips here. I will miss spending time with her and enjoying her stories. She was a very caring and giving woman. Always there for us if we needed help with anything. She had a very sharp mind and could tell you anything about the Tigers and all the stats. She loved to work outside in her yard and walking up to the grocery store even at the age of 90 years old. I love her and will miss her very much.*

“ Many great memories with her. Seeing Phantom of the Opera, going to Tigers games, playing slots together, vacations to the Upper Peninsula. Grateful for the time we got to spend together. Love you Grandma.
