“ We were so fortunate to spend wonderful moments with Jean, Greg and Lois. We will always carry Jean in our thoughts and our hearts. She always had a smile for us, and clearly cared very much by always asking about us. Peace be with you Jean. Love, Don & Susan

“ Lois, Ed and families.
Although we have never met we share the loss of your mother. She was our cousin through our parents, Edgar and Lillian Rawlings. Our home was on the road to the farm as they passed through Forest. I remember George and Jean stopping to say hello and share experiences. Dad was particularly fond of Jean and he and George shared similar work experiences. We have you all in our thoughts and prayers.
May God Bless You.

“ Jean was a lot more than just a Woodgate neighbor. She was a compassionate and fun friend and an honorary grandmother to my daughter when Mary lived with me. Our lives were so blessed to have known her, and she will be sorely missed.

“ Dear Lois and Edward and family, Our sincerest condolences to you all at this time. Always enjoyed seeing your mom and dad and your family when we would meet up in Lakeshore. My mother, Alma (Hodgson) Hackett, your mother's first cousin, would mention your mother often when talking about her younger days. Thinking of you all at this time John and Sharon Hackett

“ I have many memories of Aunt Jean from over the years at various family functions, along with Uncle George. But here is one memory i shall never for get. Ed & I are the same age; the Postif's were staying over at Grandpa & Grandma Fuller's at the farm; I was there overnight too. George & Jean took these 2 little fellows (we couldn't have been more that 8) to lpperwash --- made a fire on the beach, cooked a bacon and egg breakfast for us! O for a camera in those days! Many more memories too, but that is all I'm sharing. we will miss you Aunt Jean, but we know we will see you real soon in that coming day! Awaiting the shout! Love from Tom & Marion
