*Oh my gosh, I remember this like it was yesterday. We had so many laughs. That was an absolute wonderful memory. I was walking through the corn maze and all the mud Busia's shoe got stuck, and Angelina had to help her walk the rest of the way. We all couldn't stop laughing. That was definitely a great day.💜*

*I can't just share 1 memory because growing up with you guys I have a 1/2 of life time of memories with you and your mamma and not enough room to share them all... I loved hearing the stories of our moms growing up and all the stuff they did together 😊*
