“ *I am so sorry for the loss of Grandma Jan. I knew her only through the marriage of Brian and I and all I knew was what a sweet sweet woman she was. Thoughts and prayers.*

“ *What a sad time this is for Jeanette's friends at the Westland Friendship Center. Jeanette was the person who took over Daily Exercise when the instructor was unable to attend class. She loved the center and everyone here loved her too. She was such a wonderful person and was a fixture here. It has been hard on all of the seniors worried about staying inside and being unable to come to the center - losing such a dear friend during this time is even more sorrowful. Jeanette will be missed much more than anyone can express, and we will hold her in our hearts while we keep her family in our prayers. She was one of a kind. Barbara Marcum, Director*

“ *To me there are two types of people. One will tell you what you want to hear, and most of the time it's not the best advise. Then there are those who tell you what you need to hear, even if it hurts because they know it's the best advise. The world now has one less person who truly cared and helped others in many different ways. God bless you Jeanette Hayden and many thanks!*

“ *I knew Jeanette from St. Richards and served as her VP of 50+ for a few years. She was a wonderful woman whose smile could light up a room. She supported me during my illness and recovery and I'll never forget her. I am out of town right now and cannot attend her services but I am there in spirit.*
