“ I am blessed with some wonderful memories of Jeanette. She is my mother in-law and good friend, who I have known since May of 1975.

Our ability to communicate with each other started from day one and lasted to her passing, yes, 48 years! It would take a bit of time to cover all those years! But I can say that it wasn't me that held the art/skill of communicating, it was Jeanette. She could engage in conversation with most any person she met. She simply made people feel comfortable in talking to her, actually something not so simple for a lot of us! Jeanette was a curious and interested person that made talking easy.

Jeanette was a giver, for example, when some say a prayer for someone, Jeanette said a Rosary!

Jeanette would express her friendship by making stunning afghan blankets as gifts for those she befriended, AMAZING AFGHANS! I can tell you it's a humbling experience! Clearly an unreal amount of energy, that she put into others.

A wonderful mother, grandmother, great grandmother, and mother in-law, as I personally experienced. She always remembered birthdays of the grand kids and great grand-kids, and other family members! It takes a special person.

Playing card games was a typical pass time event with Jeanette and she would always have to teach us how to play again! Jeanette also taught me how to gamble when we went to Las Vegas. The very first machine I played I won \$75.00!

All the great holidays, Colorado and Michigan visits, vacations like Hawaii we shared with Jeanette and Frank will always be cherished. What quality times!

Jeanette was giving, but demanding, loving, but stern. She had an open mind, and didn't pass judgement. She was my special hero who I will miss deeply.

Jeanette, I send my love to you, Frank, and Aunt Irene, God Bless!

“ *My deepest condolences to your family during this time. My name is Jessica and I used to work at Waltonwood as the Life Enrichment Assistant in Independent Living. I had the pleasure of spending majority of my work days with Jeanette playing games, crafting, or having conversation. Jeanette was a beautiful person inside and out. She loved to share stories about her life, friends and family. She loved to make you smile, always had the best advice, and always made sure you knew she cared deeply about you. Some of my favorites memories of Waltonwood are with Jeanette and how vocal she was. She always stuck up for herself and others and was never afraid of what anyone thought of her which is something I truly admired about her. She was kind and thoughtful and truly will be missed. Sending all my love, hugs, and prayers to the family of Jeanette.*
