“ *Hello: I was so saddened to hear about Jeff. We had a chance to work together on a few small project at Bosch - he was always cheerful and smiling - even when the deadlines were impossible! I know he will be missed terribly at home - he will be missed at Bosch as well. May you find peace through God during this time. My family is praying for your family. Best Regards, Vince Hackel*

I would see Jeff and his boys at the Plymouth Steelers Football games when my son, Danny played. He was a great Dad!! I am so very sorry for your loss, please know you are in my thoughts and prayers. “ I have worked with Jeff all four years that I have been at Bosch. He always had a positive cheerful attitude no matter how tough things got. That was true for work as well as dealing with his cancer. He will be missed.

“ Dear Sheryl and family, We are so very sorry for your loss of Jeff. I didn't even realize he was ill until very recently and just learned about a week ago how very ill he was. You will remember that Jeff and I both ran for school board in PCCS back in 1996. That was the first time I met Jeff, and I was so impressed with his sincere desire to help the district and give his time. He was a tremendous encouragement to me -- the younger guy spurring on the older woman. I think he didn't stand much chance of winning, but I clearly remember when the results of the election came in. We were both at the Board office, and I was in the meeting. He came to the back door and motioned me out. He and my husband were both in the hall and he just graciously told me how pleased he was that I had won. What a gift of grace from an "opponent." I respected him then and continued to in all the years I served on the board. So we grieve with you and pray for God's comfort and provision for you and the kids. Sincerely, Liz

“ To the Phillips family, Sorry for the loss of your beloved Jeff. Jeff and I worked together at MTS, then at Bosch also. Jeff always had a positive attitude. He loved the Lord and his family. I havent talked to Jeff in a couple of years, so I'm totally surprised by this. Rely on the Lord through this tough time. I feel truly blessed by having th opportunity to have known and worked with Jeff. God bless, Rich Dadoush

“ Betty, I am so sorry. We lost our youngest son in 2006 and no matter what, I don't think you are ever prepared to lose a child, no matter what age or circumstances. All I can say is that our thoughts and prayers are with you and the entire family. If you ever need to talk, just let me know.
