“ I just got a text {Yes at Midnight} from fellow RE/MAX Agent, letting me know the offer I had written earlier for my Buyer's got accepted. This Agent literally spent the last 3 hrs at His Clients house, an Elderly lady who has owned and lived in the home since 1958. Making sure She was completely comfortable, with the Sale, Coordinating with her "out of State" Children.... He exhibited such patience and care for this Client. A true testament of the dedication, Experience and Care that RE/MAX Agents provide. The reason this touched my heart so deeply because in 2000 when Jay and I were purchasing our first home, A RE/MAX Agent by the name of Jeffrey Beitz did something very similar for us. Working out of his car in the driveway till 11pm, negotiating with a Seller... making sure we got the house we loved. Jeff was the reason I became a Realtor. I was so impressed by his professionalism & commitment to us, I immediately signed up for the real estate class! Here I am 18 yrs later, still influenced and grateful for my experience with Jeff. Sincerely,
Stacy Ramsay

“ My love goes out to your family. I have always treasured the friendship and the love Jeff and Becky displayed toward me. I always was impressed by Emily in the ministry; evidence of her training. May Jehovah's blessing and spirit be with all of you in this difficult time. Your friend and Christian brother, Brian
