“ *In my experience, it's a very rare thing to find someone who fully understood me, didn't judge and stayed by my side through thick and thin. But you did, and that is something I have not and will not be able to find in anyone else. You were funny, really fun to talk to, we've had a lot of deep, meaningful conversations, and I always enjoyed how you found GIFs as responses to things. It pains me to have watched your downfall. I believed you were capable of so much more than you believed you were and when I found out you were gone I cried so hard. My heart broke. How do I carry on without you? I do not want to. You are irreplaceable, you are one of a kind and you will always have a special place in my heart. I often think of you when I hear certain songs and it's bittersweet. Also, my heart goes out to everyone who is affected by this devastating loss, your parents, your siblings, your aunts, uncles, and friends, my thoughts and prayers are with all of you. Sharing some photos Jeff has sent me of himself via facebook.*
