“ I worked with Jeff for about 10 years. Very sad to hear of his passing.

*One time, Jeff and I drove together to visit one of his clients in Charlotte NC. We were driving the boss' van. On then way there a really bad storm came into the area. High winds and torrential rains. Jeff was driving on the way there. Through the mountains of WV on I-77. As the sun started going down the rain and wind got worse.*

*I'm not a normal passenger I guess. I hate heights and have acrophobia too. I'd never gone through the mountains before. My first time was under the worst of conditions. To me anyway. At one point the rain came down so hard the windshield wipers couldn't keep up.*

*Jeff and I got to be very close on that trip. He was very tolerant of my "Phobias." LOL Jeff was doing a GREAT JOB of driving. It was me that was having all the problems. At one point, I said to him "I'm sorry Jeff to say this but please slow down." looking back now, he was already going at a crawl.*

*We got there and met with the client for a day and we spent a couple of nights there. The plan was Jeff was going to take a cab to the airport and then fly to either AZ or NM for a family gathering. I was going to have to drive back alone. With me driving. OMG. I told him so too. I didn't know how int the world I was going to make it back through that horrible route. I suggested going back through TN & KY. He told me he thought that would be worse.*

*This was an unforgettable weekend in my life and I've always remembered it. We became close friends on that trip.*

*This is my "Happy Memory" of Jeff. I'll never forget it or him.*

*I'll miss him. He was a great guy and friend.*

“ *I was sad to hear of Jeff's passing. He was a friend during our years at OLGC, ninth grade at St. Thomas High School in Ann Arbor, and Plymouth High School. I remember him as a very fast runner and exceptional athlete. He was good to know and fun to be around. My condolences to his family.*

“ I met Jeff in the early 90's through a mutual friend, Jim Seidel. Jeff and Jim worked together at Monarch Press. Jeff and I have remained friends and although we didn't see each other often, each year we would talk about getting together with Cindy for BBQ's. Through good times and bad, Jeff was always positive, cheerful and optimistic. He always spoke so fondly of his family and his close relationship and love for Cindy, Brad and Jill. He truly would do anything for his family. One of my favorite movies is Always. I hope that when each of you get an inspiration, it is Jeff whispering to you and providing guidance and direction. I will miss Jeff. Cindy, Brad and Jill, I am so sorry for your loss, a loss that came way too early. May Jeff rest in peace...he will never be forgotten.

“ Jeff was a very good friend growing up and going to school together at OLGC, St. Thomas in Ann Arbor, and Plymouth High School. He was always cheerful and good natured. He was a speedy natural athlete, a great competitor and a gutsy performer. God Bless Jeff and rest in peace old friend. My condolences to a very close Nawrocki Family.

“ *What started as a business contact with Jeff turned into a 25+ year friendship. My heart is broken to think that I will not be able to talk to him and have him call me "Joycie". Not too many people could get away with that! My thoughts go out to Cindy, Jill and Brad. I know how much he loved his family. He always talked with such love about all of them and his friends. I will miss him so much. I will cherish all of the conversations and lunches that we had over the years. Love to all of his family and friends!*

*Good bye, my friend.

“ Cindy and family, John & I are so very sorry for your loss. I can still picture him at Hebrews sitting calmly and confidently with his back against the windows. He was a man of many friends and his love for his soul mate Cindy was very apparent. Such a deep loss and so sudden. Praying God's peace for Cindy and family left behind.
