I moved in with Jeff in April of 2003 in Treasure Island Florida. I can tell you Jeff changed my life. I will miss him dearly. Between breakfast at The Frog Pond, Grouper dinner Dockside Dave's and always finishing with to ice cream (almost every night) at The Candy kitchen. Thoughts and Prayers to Leo, Paul, Sharon, Jennifer and all his family and friends. He was such an amazing guy. And I am honored to have those 2 years with Jeff. I love you buddy.

In the Highest Honor to my Best Friend Jeff Sleboda - God gained an Angel - and I lost my best buddy!

We lost a good one, a great one, maybe one of the best that we will ever have known - Jeff Sleboda.

Many of us called Jeff "Slabby" - because we loved him, and it truly was a term of endearment.

I would like to say thank you to Sharon, Paul, and Jen for keeping me updated with Jeff from so many miles away here in Arizona. Sharon & Paul & Jen, friends, - I'm so so sorry.

Leo, Uncle Chris will visit you soon, and you are always welcome to come out to Arizona and visit - who knows maybe you will go to ASU? Your Father loved you very much Leo he would always tell me how tall and handsome you have become. What a great sports player you are. He talked about you every time we spoke which was almost every day. He was enormously proud of you Leo.

I have too many memories with Jeff Sleboda - so I will share a few and what he means to my life.

We spoke almost every day for about an hour about our lives, girls, family, friends, and it never got old. Every time we would hang up he would say I love you Kroogs, and I would say I love you too buddy.

Jeff was the brother I never had. Jeff was my best friend. I met Jeff years ago in Birmingham, MI. We instantly became friends, and we were inseparable ever since that day on Stanley Street. He was one of the smartest people I have ever met. Anything he would put his mind to he would always be number one at it, the best!

A great athlete, but not as good as golfer as me, and we would always laugh about that when we played which was often. We always love playing gold together.

We loved to go fishing together, and if you fish you know that spending 3 or more hours in a boat together you get to know each other pretty good. You must have a good sense of humor and his was tops. We were always laughing about something or about someone, because a lot of our friends were characters as you may know. Those were some of the best times I shared with Jeff.

He remembered everything which always amazed me. Truly a brain like a computer - a vault of memories - he remembered everything! He was just such a big-hearted person that would always make you feel good even on your worst day.

If you never had the chance to meet Jeff, you surely missed out because he would have made you smile. He had that gift of making everyone smile and ironically, that is what I will miss the most....is my friends smile. I think I shared enough with all of you, and I will leave you with my last thought about my friend, brother, golf partner, and confidant:

Your friend can never be replaced, but always be remembered.

I love you Jeff - I will never forget you.

Your best friend,

Chris "Kroogs" Krueger

“ Those we love don't go away. They walk beside us everyday.
Unseen, unheard, but always near. Still loved, still missed and very
dear. Sorry for your loss.
