“ Jeff and I were lifelong friends and his loss will surely seem to diminish all of us who knew and loved him. But after this time of sorrow is over, we will once again smile and remember him as the really great person he was and about all the wonderful times we shared together. Rest in peace my friend.

This is sure I want to remember Jeff. I have only known Jeff since 2007 but we played many rounds of golf together.  
Ever since the day we met we were Golf Partners, and I will really miss him. My or I have had him I didn't get to see him before he passed, but I talked to him on the phone every day.  
I know that I speak for all the golfers who love him for will be missed.  
Who said that Jeff will?
