“ *Aunt Jennie was the sweetest person to be around. I remember as a child that she was so into nature. Telling me about all the animals and woods on her property. Don't even get me started on all her cats (lol). I felt like I could talk to her about anything and she would not judge me. She was a great person and she will be remember in my prayers always. She is in a great place now accompany by so many family members. I love and miss you all. R.I.P Aunt Jennie love you lots.*

“ *Jennie was always the sweetest, most kind-hearted person you could have ever known. Growing up, I always looked forward to going over to her house and seeing her. She loved her family more than anything and she was always so proud of her girls. I loved sitting there with her listening to Amanda sing Stevie Knicks. She had the most amazing bond with Melinda and Amanda. It was beautiful. There was never a doubt that family came first with her. She helped me get through losing my mom. I would talk to her a couple times a week and it meant a lot to me. I haven't kept in touch lately, but I am going to miss that. I love you Aunt Jennie.*
