“ I've been thinking about you a lot lately. I'm so sorry you got stuck with that loser Jimmy, you deserved so much better then that. He didn't waste any time shitting all over your memory, you weren't even cold and he moved on and added to his family, that's okay though, because I do believe in Karma. When you were in the hospital and told me how awful he was treating you, it made me sick, you had mentioned that you had fell over and woke him up and he went crazy, even with his knowing that you were dying he treated you like shit. There's a special place in hell for someone like that. I still think about that day when I was at your house and your brother Jason was there with that obese woman he has a kid with, you had said Jimmy only acts decent when your ppl are around, I think about that constantly because I know most of the time there was no one and you were being treated bad most of the time. That breaks my heart. Just know I pray for you and your girls Jenny, I hope you are finally at peace. and Everyone that knows you knows the true hell you lived with. Thank you for helping me with my kids when I needed you <3 RIP

“ I am a Minister of Jehovah's Witnesses my wife and I would like to give you and your family our deepest sympathy for the lost of your loved one. We would like to leave you with these words of encouragement from Gods word the Bible. At Job 14:14 it ask the question, "If a man dies, shall he live again?," The bible makes the promise: Your dead love ones will live...They will rise up. The bible also says, The righteous themselves will possess the earth and they will reside forever upon it. Isaiah 26:19;Psalms 37:29. May you find comfort in these scriptures and in the loving memories of your loved one. If you have any questions or concerns about the lost of your loved one feel free to email us at [ctksdk@yahoo.com](mailto:ctksdk@yahoo.com) Sincerely,  
Carlos & Sandy

“ Dear Robbins Family,

*So sorry for your loss. May the God of all Comfort continue to be with your family at this most difficult time. The bible offers a wonderful hope for our love ones. John 5:28,29 says in part "all those in the memorial tombs will come out". Yes the enemy death will be done away with very soon. Please take comfort in this promise from God. Take care. Sincerely, Tina Adams*
