“ Thank you for being a father to me when I truly needed a father figure in my life. Thank you for fighting for me as a child. I am grateful for the time we had together, but I am so heartbroken to see you go. I am thankful for the memories. Love you Jay ❤️😔

“ There aren't many words, because you truly know what you meant to me! I will miss you for the rest of my life. You were one of a kind, and I am so thankful to have had a bonus dad for the last 15 years of my life. You taught me alot of things, and molded me in ways you probably didn't even know. I will miss your sense of humor a lot. Forever in my heart, love always your "little chic" ❤️
