Jer, I've been thinking of you so much as this is the first Christmas without you. I can only imagine your decorating heaven, and if its like anything you did here...WOW!! Lord, be patient with him, he wants things done his way, and he does a really good job...as I'm sure you're aware. Gosh I miss you. It's not fair. You should have been here longer. Well, I just wanted to wish you a Merry Christmas in heaven. I love and I miss you Jer. So very much. Love Little Deb

Jerry, my heart is breaking. I've been texting and calling you. I wish someone would have contacted me. I talked to you on the 11th. You weren't feeling good then. But like the trooper you always are, said you'd be ok. And after we talked for a while, you said you would call me the next day. When you didn't, I tried calling, then texted you. I was asking what you wanted, what could I do. My gosh, I am so, so, so broken hearted. You were my buddy. Forty plus years of laughs, and some tears. God I miss you. I just can't believe it. When I kept calling your phone leaving messages texting and eventually it immediately went to voice mail. I thought your phone was acting up again, then I got worried because I tried like twelve times. Oh I'm sick in my heart. Jerry, I kept sending you texts saying I love you Jer, do you need/want anything. I do love you Jer. And I'm going to miss you sooooo damn much. I can't stop crying now. As much as I miss you, and I know you family does too, I know you don't hurt anymore. You were so brave. I love you and always will. Rest now. You've had a long, hard journey. I will forever miss you, and I will forever love you. Little Deb...xoxoxo
