“ My favorite memory ant jewell was when we had her surprise birthday party at a picnic. It was a rainy day. She was getting out of the truck she was walking towards the picnic area. When she got to the area. Her face was so shocked and was wondering what was going on. Then when we all came out to say SURPRISE! Her face was frightened but when she seen All of the family there. Her Smile shined like the sun came up that made everyone else happy!

“ I have so many special memories; too many to number!

However I have 3 that stand out.

The first memory is when I would spend the night with her growing up. I usually would wake up to her Christian radio playing, her cooking eggs, and She would always read her Bible and pray!

The second memory is that no matter what; I knew I could always go and talk to Grandma, and have her pray.

I went to her to pray for things so many times in life. She was a great woman of faith.

The third memory I have is when I got married she took me to get my wedding dress. I will never forget how special that made me feel. As she helped me pray for my husband to come.

I will forever cherish every moment with her!

I look forward to to day when I too will finish this race, and be reunited with our Lord, and those who have went on before.

Heaven with our Lord; our blessed hope!

We all love you so very much, and your great grandbabies loved spending time with you too. I know you're rejoicing in Heaven; worshipping our Lord and King!!!

Rest in peace!

Love always De'Anne and Family 💖
